## Questions and Answers:

- Odor: it has been our experience that the organic material has low odor when saturated
- Traffic: Superior Seawalls will have employees on site to direct traffic
- Permit: The project has been completely permitted by the Iowa Department of Natural Resources
- Safety: Safety fence will be installed around the work zone. SSD employees will be the only authorized entrants. If anyone is observed within the construction zone that isn't authorized, please immediately contact the toll free office number provided above.

Feel free to contact our office with any additional questions or concerns.

Respectfully,

Douglas H Harper  
Director of Operations
